To: Accutech Packaging Customers and Suppliers

Given the recent developments surrounding COVID-19, we want to reassure you we are closely following the guidelines of the Center for Disease Control and Prevention and are doubling down on our efforts in maintaining a clean and sanitized workplace. Accutech Packaging is taking serious steps to prevent the spread of Coronavirus. We will continue to monitor the progress of the virus and take appropriate steps if or when needed.

At this time, we are not anticipating any negative impacts to your order(s). All orders are being manufactured and shipped as planned. We are also monitoring our supply chain to ensure timely receipt of our requirements. Please know that we will continue to closely monitor this situation and take whatever steps necessary to mitigate the impact.

Please keep us informed if you will need to shutdown your operation or if you would like us to adhere to new guidelines.

We thank you for your continued partnership and trust in Accutech Packaging and hope you, your employees and families stay healthy and safe.

Please feel free to reach out to me if you have any questions or concerns.
