

Autobags

As Ambassador partners with Sealed Air, Accutech is pleased to be able to offer the efficiency and reliability of Autobag® Automated Mailer Bags and Pouches. Designed for automated systems, these bags and pouches offer high-speed packaging, durability, and sustainability. Choose from recycled content bags, specialty bags, standard poly bags, and e-commerce mailers to optimize your packaging operations and enhance your shipping program.

Sealed Air's expertise, combined with Accutech's engineering, design and technical support capabilities, brings added value to you! Call us today and put our teams to work for you.
